The rolling hills of Tuscany, Umbria and Le Marche are dotted with vineyards and olive groves. This area of Italy is famous for being known as, the 'Green Heart' of the Peninsula.

Each region has its own particular character offering spectacular scenery, authentic cuisine and romantic hill towns. It is also a journey from the Medieval period to one of the most splendid eras of European civilization: The Renaissance. The experience starts in Pesaro and the tour ends where it all started in Florence, the home of the Medici.

Between these two highlights, there will be guided tours to explore the treasures and experience the life in centres such as Urbino, Gubbio, Assisi, Perugia, San Gimignano, Volterra and Siena. Your tour leaders, Mario, Viny and Gianni complement the tour with their intimate knowledge of the history, culture and Italian way of life.

We will give you the opportunity to experience the excellent hospitality of the people of Central Italy with its abundance of traditional local food and wine. You will enjoy leisurely lunches and special dinners in traditional restaurants and osterie. There are also opportunities to shop at local markets and speciality shops.

The weather: It is the end of summer. It can get warm during the day however the evenings may be cool. For September/October in central Italy we recommend light, comfortable clothing, a light jacket with your favourite walking shoes. We do not place age limitations on the tour and welcome anyone with a moderate level of physical fitness. It is important to note that the countryside is undulating and hilly. Many hill-towns have their historical centres closed to traffic and therefore lots of walking is required. Be expected to spend a few hours a day at a time on your feet with breaks for sightseeing, coffee and a taste of the local produce. The program appears to be full; however, it is mixed with long restful lunches and leisure time for your enjoyment and comfort. ***If you need to, you can always take time off from the organised program.***
