Additional information

The weather: it is the start of spring. It can get warm during the day however the evenings are cool. We recommend light, comfortable clothing, a light jacket with your favourite walking shoes. We do not place age limitations on the tour and welcome anyone with a moderate level of physical fitness. It is important to note that the countryside is undulating and hilly. Be expected to spend a few hours a day at a time on your feet with breaks for sightseeing, coffee and a taste of the local wine and produce.

The program appears to be full; however, it is mixed with long restful lunches and leisure time for your enjoyment and comfort.

If you need to, you can always take time off from the organised program.
